

Sixth Form Professional Support Group

2023-24

Running a Sixth Form in a special school can be both exhilarating and daunting, can't it? Freed from the constraints of the National Curriculum the possibilities appear endless. But how do you ensure that these last precious years in the school really are the focused springboard for the rest of our students' lives that they need them to be – and not just marking time? What are the priorities now? Employment at any cost? Education for health and happiness?

We are pleased to announce 2023-24 dates for our SWALSS Sixth Form Professional Support Group. Places are now available for both current and new members. The group will continue to focus on case studies, curriculum development, sharing of resources/ideas and problem solving. Facilitated by Emer Moore and Kelly Chapman of Addington School, Reading, each session will include both a formal presentation and dedicated time for discussion, support and challenge.

Delivery is via Zoom. Dates for 2023-24 are:

- Thursday 12th October 2023 15:30-17:00
- Thursday 1st February 2024 15:30-17:00
- Tuesday 11th June 2024 15:30-17:00
