

Safeguarding Professional Support Group 2023-24

It's probably long overdue, but SWALSS is pleased to announce the introduction of its new Safeguarding Professional Support Group. The purpose of the group is to provide ongoing training, support and conversation between schools and sector experts. Each session will be a combination of presentation, updates, problem-solving and celebration. Membership of the group is aimed at anyone in a special school who has responsibility for, or a particular interest in, safeguarding e.g. DSL's, headteachers and other senior leaders, governors, etc.

This important new group is led for SWALSS by Antonia Noble. Antonia is a criminal barrister with a specialism in safeguarding. She writes courses on all aspects of safeguarding - approved by CPD, NSPCC and others. She has worked in the public sector at the Criminal Cases Review Commission and Gloucestershire County Council and is VC of SAND MAT. She now creates specialist communities for safeguarding leaders, including DSLs and social workers, mentors/coaches, governors and school leaders. See www.antonianoble.com for more information.
